WHY SHOULD YOU BRAND?

The essence of promotion is to make your mark on customers. Our apparel is designed to enhance your brand and leave a lasting impression.

By giving promotional garments that have been attractively branded with your company's unique logo or message, you place yourself at the forefront of the recipient's mind, especially when they're looking for the product or service you provide. Moreover, by wearing an imprinted jacket, t-shirt or other choice item, that person will become a relatively low-cost, walking billboard, showcasing your company identity.

Quite simply, when it comes to marketing, few strategies are as effective.

PARTNER WITH US AND WE'LL WORK JUST AS HARD AS YOU TO MAKE YOUR BRAND LOOK MEMORABLE.

We provide the best product selection at competitive prices, a total-solution by a professional, dedicated team and exceptional branding know-how to ensure fast, consistent, reliable delivery, time after time.

For your convenience, we have included the price of branding on our apparel.

The type of branding included varies from product to product and is denoted by way of an icon at the top of each page. In many cases we offer you a choice between several inclusive options and you are able to choose one of these options.

INCLUDES ONE-POSITION DEBOSSING

Select Golf Shirts, Bodywarmers and Jackets include a one-position Debossing, subject to the following criteria:

- Artwork is limited to our branding guideline size limitation per item.
- Setup and die charges are not included in the price of the garment.

INCLUDES ONE-COLOUR, ONE-POSITION SCREEN PRINTING

T-Shirts include a one-colour, one-position Screen Print, subject to the following criteria:

- Should you wish to print more than one colour, the inclusive of Screen Print offer falls away and normal branding prices will apply. Where a two-colour print, for example, is required, the price of the first colour will not be included in the price of the product and both colours will be charged for in full.
- Artwork is limited to our branding guideline size limitation per item.
- Setup charges are not included in the price of the garment.

INCLUDES ONE-POSITION LASER ETCHING

Select T-Shirts, Golf Shirts and Jackets include a one-position Laser Etching, subject to the following criteria:

- The maximum branding size is 297mm x 210mm.
- Should you wish to brand outside of the size defined above, the inclusive of Laser Etching offer falls away and normal branding prices will apply. Where a 310mm x 220mm logo (which falls outside of the 297mm x 210mm block), for example, is required, Laser Etching of the logo will be charged for in full.

Laser Etching is only available on certain colours and the result and legibility may vary depending on the colour, style and material of the garment.

Please refer to the thumbnail guide on pages 12 to 13 of our 2019/2020 Corporate & Promotional Apparel and Headwear catalogue for an overview of the garments and colours that can accommodate Laser Etching.

- Setup charges are not included in the price of the garment.
