Hand Sanitisers

Clean hands save lives.

Your greatest defence against infectious diseases like COVID-19, is practising good hygiene by thoroughly washing your hands with soap and water or using an alcohol-based hand sanitiser frequently.

LIQUID CELLPHONE SANITISER

7.5 (h) x 1.7 (dia)
5 ml

did you know...

Your mobile devices come into contact with multiple surfaces throughout the day, including your hands and face, making them a breeding ground for harmful bacteria.

Multiple studies suggest that this could impact your overall health and make you more susceptible to contracting viral and bacterial infections. Keep your cellphone and other mobile devices sparkling clean and sanitised with this handy cellphone sanitiser spray.
