What is **Altitude by Wizard**?

altitude

How will my **ALP** spend work?

Who will be my **point of contact**?

How do I **place my Altitude order** at Amrod South Africa branches?

How do I **place my Altitude order** at Amrod Africa branches?

What websites are **available for Altitude products**?

How do I log into the new **Altitude website**?

Will I have **one account for payment**?

Do I need to register a **new account with Amrod**?

How will I be **invoiced**?

Where do I **collect my order**?

Where can I find an **Altitude Showroom**?

Will branding be available on **Altitude products**?

What is Altitude by Wizard?

The acquisition of Wizard by Amrod in December 2017 has led to the creation of the Amrod Group which strives to be a global Leader in the Promotional Products industry.

Amrod's trade-only, customer-oriented, technology-driven approach has helped fuel tremendous growth within the industry over the last 2 decades and has brought pioneering innovative solutions to you, such as, online stock checks, pricing inclusive of branding pricing, LOGO 24; online ordering and industry leading turn-around times.

The newly formed Amrod Group will continue to grow its business on these founding principles of:

The Wizard product offering will now be known as

From 16 January 2019, the Amrod TOTAL SOLUTION will apply to all the products within the integrated Amrod & Wizard group.

We are excited to be launching our comprehensive, reinvigorated Altitude by Wizard range of clothing and gifting on the 25th of February 2019.

The significantly expanded Altitude by Wizard Clothing and Gifting collection has been designed and priced to offer exceptional value. We have been working extensively over the past twelve months on product development to ensure we can deliver this value. The new Altitude by Wizard clothing range will be available in our 2019 combined Amrod and Altitude catalogues alongside the Altitude by Wizard gifting range which will be available in a stand-alone 2019 catalogue until June 2019, where after the gifting catalogues will also be combined.

As a customer you will enjoy an even wider product offering, allowing you to cater to the ever-increasing end-user requests. Most importantly, you will be able to offer the new Altitude by Wizard range with confidence, knowing that it is supported and backed by the Amrod Total Solution.

We have compiled this easy to use guide, to answer the FAQ's you may have regarding Amrod and Wizard and to include information on how to deal with us in 2019. If you have any questions, please contact your Account Manager, who will guide you through all the new developments and answer any of your questions.

How will my ALP spend work?

Amrod Loyalty Programme - **ALP 2019** - Now including **altitude**[®] by Wizard

DISCOUNTS

The 11 tiers on the ALP programme will remain in place. The new targets for 2019 will apply across your combined Amrod and Altitude by Wizard spend. In 2019 Altitude orders will attract bonus points in a similar fashion to Amrod orders. The discounts given on the Amrod and Altitude ranges of products will, however, differ.

The Amrod Loyalty Programme (ALP) is the leading loyalty programme in the industry. It is a transparent and well regarded programme that actively rewards clients for not only their spend with Amrod, but their general engagement with Amrod, including their willingness to use Amrod's online options.

In 2019, the Amrod Loyalty Programme will be extended to consider your interaction with the group at large, Amrod and Wizard combined. Therefore to ensure that we keep things simple to understand, there will be only one loyalty programme going forward, integrating your spend within our group so that you benefit no matter whether you purchase product from Amrod or Wizard (the Altitude range). To aid you further and hopefully assist you in reaching your targeted tier, at the end of 2018, we will be adding your spend with Wizard in 2018 (1ALP = R1 spent) to your Amrod ALP points.

JADE

Customers who have not accumulated 50 000 ALP points with their combined 2018 spend across Amrod and Wizard will begin 2019 on the Jade tier. For more detailed information on our Jade offering please [CLICK HERE](#)

For full detailed outlines of the ALP programme and all the benefits associated with the programme, please [CLICK HERE](#)

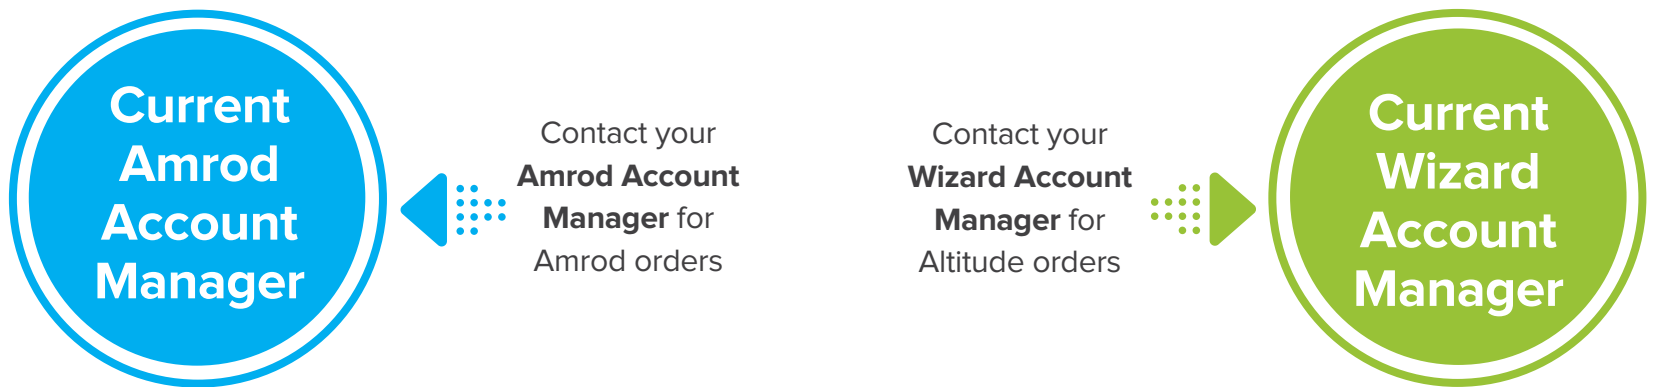

Who will be my point of contact

From the 16th of January you will have two Account Managers.

We aim to fully integrate the sales teams and allocate one point of contact over time. While we are in the initial phase we have opted to maintain two Account Managers so that we can ensure that you get the service you have become accustomed to.

The service offering to Jade customers is an online only service which does not include a dedicated Account Manager, however the full suite of online offerings and branding is available. Wizard customers who now fall in the category of Jade will enjoy these online only offerings.

AMROD LOYALTY PROGRAMME

Our Carbon Tier has been upgraded to **JADE**

- BRAND IN-HOUSE**
Enjoy all the benefits and offerings of our wide branding spectrum - all positions, colours and applications included*
*excluding embroidery
- BRANDING LAYOUT**
You will receive a detailed branding layout with visualisation and technical specifications, for your approval*
*excluding Logo24
- ONE CHANGE INCLUDED**
You have the ability to make one change per branding layout at no extra cost

What websites are available for Altitude products?

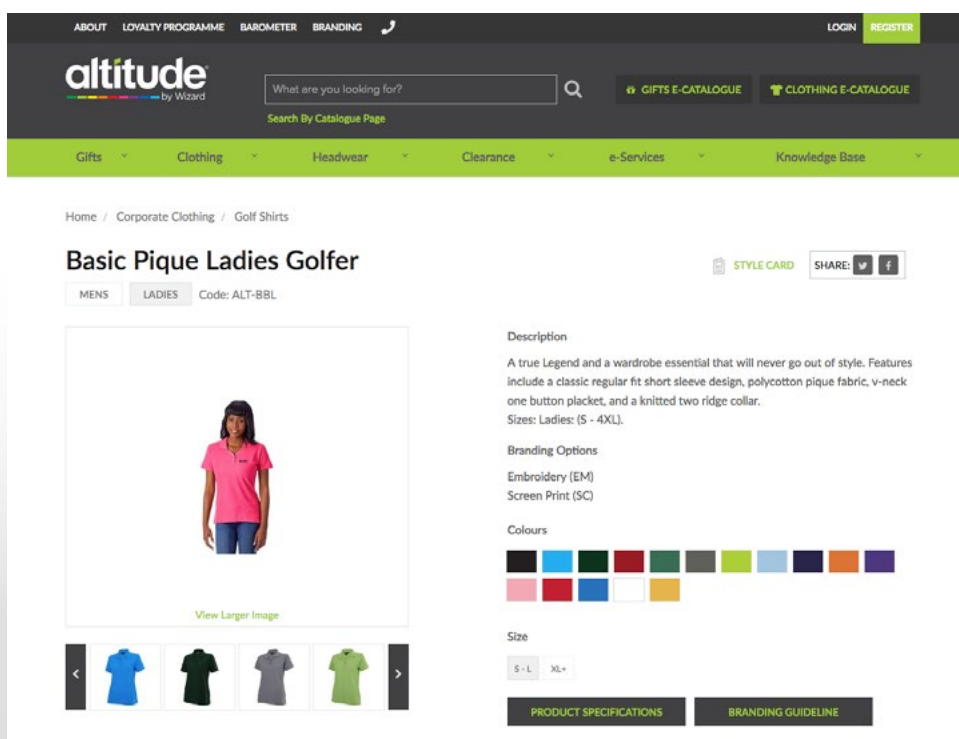

South African Websites

In January 2019 the www.altitudeco.za website will be upgraded and revamped.

The website will have a completely new look and feel that will fall in line with the new Altitude brand and will operate with the exact same functionality and features that you have become accustomed to on the Amrod website.

To place an order for Amrod products go to www.amrod.co.za

To place an order for Altitude products go to www.altitudeco.za

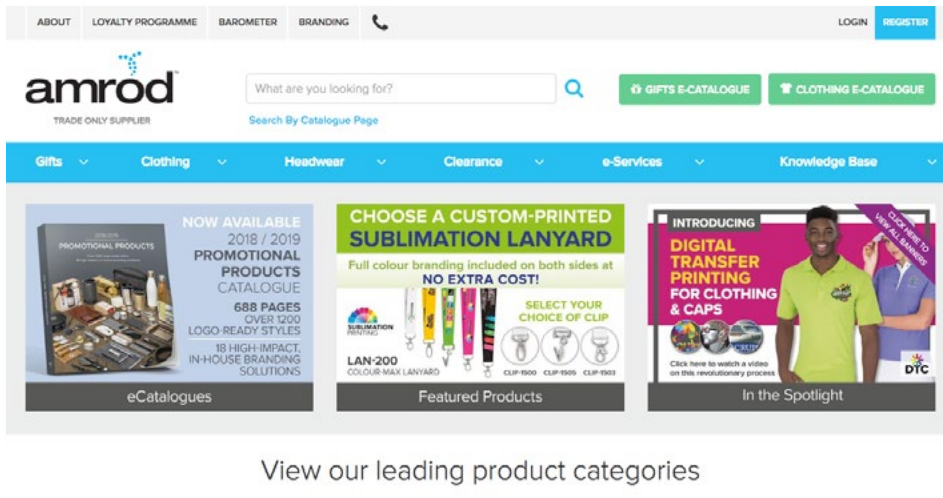

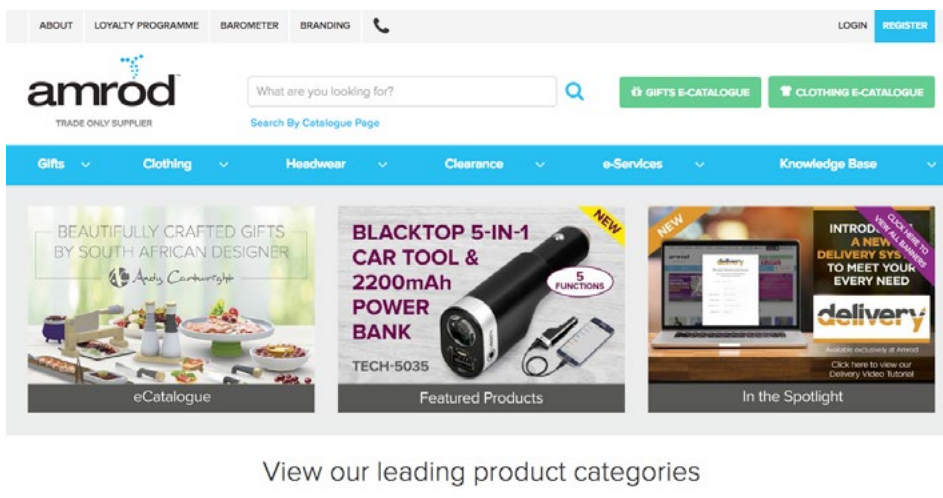

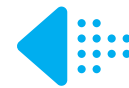

What websites are available for Altitude products?

Non-South African Websites

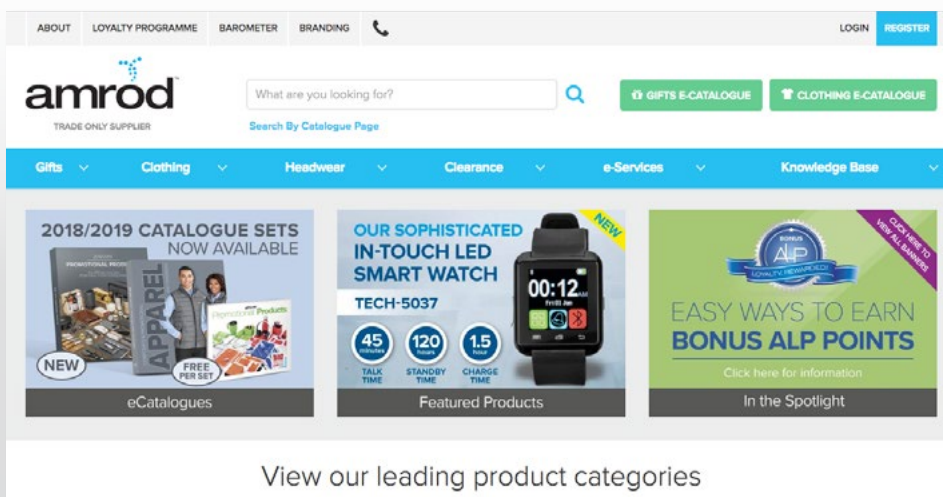

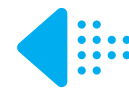

The Altitude product ranges will be incorporated into the existing Amrod Africa websites. Your local currency site below will therefore be your single point of online interaction for Amrod and Altitude products

How do I log into the new Altitude website?

For your convenience and ease of access you will use the exact same login information that you currently use for Amrod.

All of your credentials will be transferred to the new Altitude website.

Once you log on you will be able to add additional users to your profile.

If you do not know your credentials, you can retrieve these credentials created by following the 'forgot my password' prompts.

The screenshot displays the Altitude website interface. At the top, there is a navigation menu with links for ABOUT, LOYALTY PROGRAMME, BAROMETER, and BRANDING. The Altitude logo is prominently displayed. A 'Customer Login' modal is open in the center, featuring a close button (X) in the top right corner. The modal contains the text 'Customer Login' and a link: 'Don't have an account? Click here to register.' Below this are two input fields labeled 'Email' and 'Password', followed by a green 'LOGIN' button. At the bottom of the modal, there is a link: 'Forgot your password? / Change current password.' The background of the website shows a search bar, a 'Catalogue' section with a 'Clothing E-Catalogue' link, and a grid of product categories including Aprons, Conti Suits, T-Shirts, Gift Sets, Mobile Technology, Bags, Golf Shirts, Workwear, Bodywarmers, Outdoor & Recreation, Drink-and-Lunchware, and Writing Instruments.

Will I have one account for payment?

By January 2019 your account for Altitude products (Wizard) and Amrod products will be consolidated and you will be able to pay all outstanding invoices in one payment.

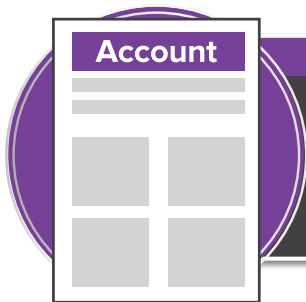

The Wizard legal entity will no longer exist and all your invoices for both Amrod and Altitude products will be invoiced under the Amrod entity and VAT number. For ease of reference, please note the details below.

AMROD CORPORATE SOLUTIONS (PTY) LTD

REG: 2016/224630/07

VAT: 4710275134

If you have a credit balance with Amrod and Wizard your credit will be adjusted to accommodate an increased spend on the combined account. If you do not have credit at Amrod but have credit at Wizard, you may be required to complete a new credit application. We will assist with making this process as effortless as possible.

Do I need to register a new account with Amrod?

Your Amrod account will become your only account, therefore if you do not have an Amrod account but have a Wizard account, you will be required to register with Amrod. This registration has been free for all Wizard customers from May 2018.

If you have not registered during 2018, you will be required to pay the registration fee of R899 on registration in 2019. You will also not be eligible to buy Amrod or Altitude products until you have registered.

Register Once: Amrod & Wizard Collective

In December 2017 Amrod acquired Wizard Collective and while both companies will continue to offer you a great range of products and services on their separate platforms, one of the benefits is that you only need to register once to take advantage of both offerings.

Both companies are strictly trade-only and our promise to our clients is that we do not compete with them for business; as such our initial registration process is very strict and requires that you supply us with the necessary documents and company information to confirm that you are a reseller.

How it Works

Once you have filled in the required fields in the "Apply to Register" section of this page and attached or mailed the necessary documentation, your application will be vetted to ensure that the core function of your business is the resale of promotional gifts and/or clothing.

If your application is approved, a once-off fee of only R 999.00 ex VAT is payable for registration at both Amrod and Wizard Collective and gives you access to the products and services of both market-leading promotional suppliers. You will receive an e-mail with the terms and conditions for Amrod and Wizard Collective as well as an invoice for the registration fee. Please read the terms and conditions carefully before signing each and sending them back to us along with proof of payment of the registration fee.

How will I be invoiced?

You will receive separate invoices, notifications and job cards for orders placed on Amrod and Altitude products respectively. This will apply even if you place a joint order for Amrod and Altitude products.

The invoices and notifications will be visibly different to make it easier to identify which product each document relates to.

The terms and conditions of all orders will now be governed by the Amrod standard terms and conditions.

Where do I collect my order?

We will replicate the integrated operation of Amrod JHB throughout all of our branches. From January 2019, all Amrod branches will now be Amrod and Altitude by Wizard branches. This includes showrooms and collection points .

For your convenience, as of January 2019 you will be able to collect both Amrod and Altitude orders from a consolidated collection point.

Where can I find Altitude Showrooms?

One of the great benefits to customers will be the ability to view the Amrod Collection and Altitude range in one showroom. During December we will be relocating the Altitude showrooms, and from January 2019 you will enjoy a full combined Amrod and Altitude showroom experience at all the Amrod showrooms.

The Altitude range will also be incorporated into all of the Amrod Africa showrooms: Botswana, Namibia, Kenya and Zambia (Nigeria from Q2 2019).

Will branding be available on Altitude products?

From January 2019 all Altitude clothing and gifting will be sold with a branding method included in the pricing.

The Altitude clothing range (excluding T-shirts) will include as a standard method – a 1 position DTC print. T-shirts will include a 1-colour screen print. Embroidery will be offered on Altitude clothing, however this will be offered at an additional charge. Detailed pricing and specifications will be communicated in due course.

For a few specific products on which DTC cannot be used, another branding method will be included in the price. The branding guidelines, branding calculator and other relevant branding information have been standardised across both Amrod and Altitude for ease of use and will be available from January 2019.

WITH HIGH RESOLUTION, PHOTO-REALISTIC RESULTS

you'll never have to compromise on your artwork again.

DIGITAL TRANSFER PRINTING ON CLOTHING:

- is soft-touch and super-lightweight to wear
- has flexible characteristics and stretches with the garment
- has only one set up cost no matter the number of colours
- offers long-lasting results

The additional advantages of digital transfer printing become clearly apparent when compared and contrasted to the more traditional processes of embroidery and heat transfer.

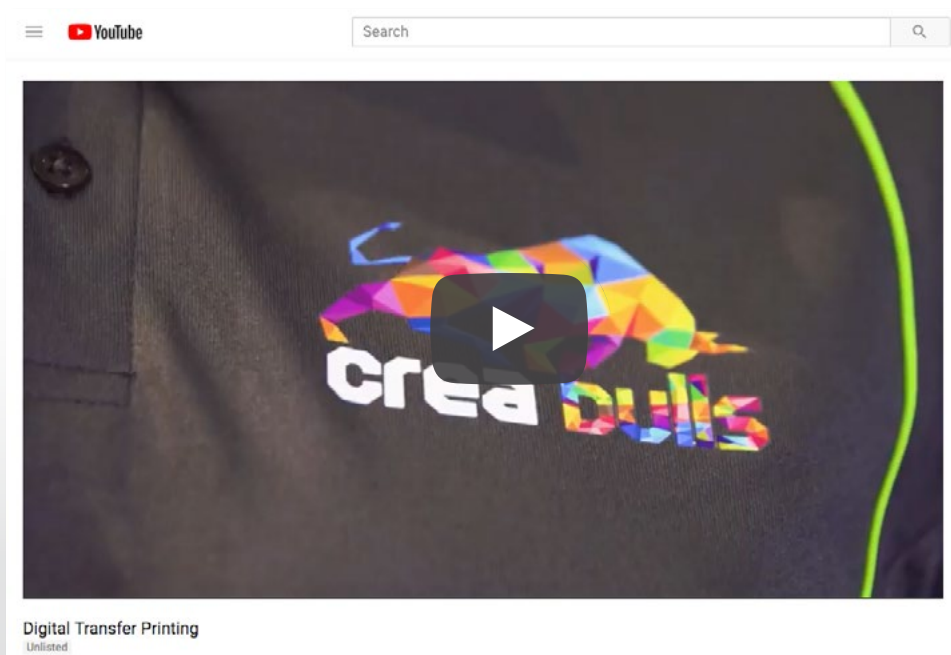

There are four main characteristics that make this a true branding revolution:

- 1 FINE DETAIL AND SMALL TEXT
- 2 GRADIENTS AND SHADING
- 3 BRIGHT AND VIBRANT COLOURS
- 4 PHOTO-REALISTIC RESULTS
