

1 MILLION
PLASTIC & METAL PENS
**REDUCED
TO CLEAR**

With over **1 million pens**

available at crazy low prices, there's simply never been a better time to place your brand at your customers' fingertips.

To sweeten the deal, we've thrown in the price of branding too, making it cheaper than ever to place your logo or message in the spotlight.

All plastic pens include:

**a 1 colour,
1 position
pad print**

All metal pens include:

**your choice of laser
engraving or a
1 colour pad print
(where suitable)
in 1 position.**

Please note, where a 2 colour print, for example, is required, the price of the first colour will not be included in the price of the product and both colours will be charged for.

Branding options are displayed next to each item and setup charges are not included in the price.
