

**Unplanned doesn't have
to mean unbranded...**

LOGO24 is an extraordinary initiative that offers “next day” turnaround including branding on 220 of our most popular products when you need branded product super-fast!

LOGO24 EXPLAINED

Throughout the catalogue you will notice the **LOGO24** logo next to certain products. Wherever it appears, you can confidently select the associated **LOGO24** product and have it branded and complete for the following day.

The maximum quantity (and in certain cases minimum, too) is indicated below the icon, as is the type of branding which enables your order to be fast-tracked.

Minimum quantity = 1000
Maximum quantity = 5000
LOGO24 branding method = One colour pad print

You will also find a **LOGO24** branding guideline alongside the standard branding guideline for **LOGO24** products, indicating the position in which your artwork can be branded.

Due to the reduced lead times associated with a **LOGO24** order, the following conditions apply:

Branding outside of the demarcated **LOGO24** branding area, is not available as part of the **LOGO24** next-day offering. Artwork will always be centered within the demarcated space and printed proportionately at either the maximum width or maximum height (depending on the orientation of the logo) of the defined **LOGO24** branding area on the **LOGO24** branding guideline. See examples below:

The **LOGO24** service is available Monday to Thursday and orders must be placed and paid for by 5pm to be complete and ready for collection by 5pm the following day.

Orders placed and paid for before 12pm on Friday's will be completed by 5pm the following Monday. Orders placed after 12pm on a Friday, weekends or South African public holidays will not qualify for **LOGO24** service and will be treated as standard orders with regular branding lead times.

For comprehensive terms & conditions as well as a step-by-step **LOGO24** guide, please contact your Account Manager.
