A wonderful collection of
ideas... perfect for the
festive season.

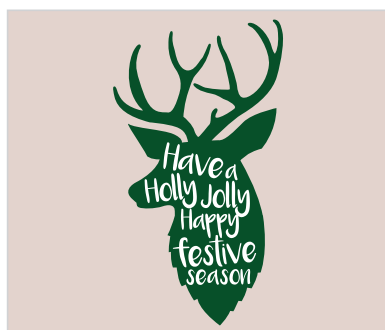

With the festive season just around the corner,
there's no better time to get your holiday gift-giving wrapped up with our merry selection of ideas to make this the most wonderful time of the year.

Choose your artwork or send us your own

Whilst none of the items shown in this catalogue are pre-branded with the designs displayed, we have created 8 fabulous festive-themed design options for you to choose from for each, other than where an item is not available for branding.

Should you wish to order any item with one of our designs, simply indicate the applicable design number when placing your order and specify whether you would like to include your logo (where it can be accommodated) as part of the design, in which case, your logo should be provided with your order. Alternatively, you can provide us with your custom artwork and we'll print it for you at the same size and in the same position as our designs appear on the various items in this catalogue.
